## Spring 2012 Tuition Invoice and Data Form (pg 2)

### Fundraising Commitment:

In order for CVYO to maintain a lower tuition, I understand that every student is expected to raise \$200 in Fundraising Dollars (net \$100 to CVYO) every semester. In addition, I understand that some fundraising activities may require me to purchase items (i.e. candy) for resale, and the recapture of those funds is my responsibility.

If I choose not to fundraise this semester, I may instead opt-out of fundraising by including an additional \$100.00 per student with my tuition payment.
