Fundraising Obligations:

I understand every family is expected to raise \$200 Fundraising Dollars (net \$100 to CVYO) for the orchestra *every semester, per student*. In addition, I understand that I may also be asked to purchase items (i.e. candy) for resale and the recapture of those funds are my responsibility. Alternatively, if I do not wish to fundraise this semester I may instead 'opt-out' by including an additional \$100.00 with my tuition payment.
