***Fundraising Obligations:**

I understand every family is expected to raise \$200 Fundraising Dollars (net \$100 to CVYO) for the orchestra every semester, per student. In addition, I understand that I may also be asked to purchase items (i.e. candy) for resale and the recapture of those funds are my responsibility. Alternatively, if I do not wish to fundraise this semester I may instead 'opt-out' by including an additional \$100.00 per student with my tuition payment.

Enclose entire form with payment in an envelope.

****SEPARATE** email accounts will only be needed as a user name. You will need it to sign into your child's' account and to make payments. You will not need to check each email for information from CVYO. Watch for more details soon.
